“ Taiwan provides incredible hospitality and friendliness, spectacular and diverse scenery, incredible convenience, affordable cost-of-living, a hyper-efficient healthcare system, amazing food culture, and world-class safety. ”

Taiwan and its people baffled me with incredible hospitality and friendliness, spectacular and diverse scenery, incredible convenience, affordable cost-of-living, a hyper-efficient healthcare system, amazing food culture, and world-class safety. A combination that I think is unique worldwide.

“ A lot of the things that brought me to Taiwan are everyday things that make life more pleasant, like amazing public transportation, interesting culture, and quality healthcare. ”

Taiwan has a welcoming heart. This is an island and country with a heart. When I decided to make Taiwan my home, it felt right and natural.
